PUBLIC NOTICE

MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY
OFFICE OF POLLUTION CONTROL

CATEGORICAL EXCLUSION FROM ENVIRONMENTAL REVIEW

City of Corinth
Alcorn County, Mississippi
Elam Creek Interceptor Sewer Replacement
SRF C280-855-06
August 2, 2021

All projects funded under the Mississippi Water Pollution Control Revolving Loan Fund Program undergo a review to determine whether the proposed project will have a significant impact on the environment. In making this determination, the Department assumes that all of the facilities and actions recommended in the facilities plan will be implemented. The facilities plan for this project is entitled "Facilities Plan for Elam Creek Interceptor Sewer Replacement" dated March 4, 2021 and prepared by Cook Coggin Engineers, Inc.

The proposed project includes the replacement of approximately 6,900 linear feet of 12" sewer pipe with 18" gravity sewer interceptor. It also includes the replacement of approximately 24 existing manholes, reconnection of approximately 28 service connections, and appurtenances. The estimated project cost is \$2,200,000, and the anticipated loan amount is \$2,200,000. The location of the proposed project is along Elam Creek in the City of Corinth located in the central part of the city between East Waldron Street and Highway 72.

The Mississippi Office of Pollution Control has determined that the proposed project meets the criteria for receiving a categorical exclusion from further environmental review. However, this determination can be revoked if significant adverse information becomes available. To review the facilities plan or submit comments regarding the proposed project, please contact Thomas Gray, Office of Pollution Control, P. O. Box 2261, Jackson, Mississippi 39225, phone 601-961-5083 no later than September 10, 2021.

A handwritten signature in black ink, appearing to read "Mike Freiman".

Mike Freiman, P.E., SWD Chief
